

Kissing Emu Suds-Scriptio Application

A Suds-Scriptio is an annual, members only, product testing group. We will mail you a minimum of 3 new recipe soap samples at least 4 times a year (not less than 12 samples but could be up to 24) as well as exclusive special offers. You will have direct input on product line development. We will include a \$10 gift certificate with each package in appreciation and anticipation that you will sample the products and provide us honest feedback on what you liked, didn't like and what you would change. We are genuinely interested in creating a superior product that is safe to use and meets your needs.

The quantity of Suds-Scriptios is limited. As an initial Charter Member, we agree to waive the annual \$50 membership fee and extend the Suds-Scriptio annual expiration date to December 31st, 2010. At that time, you will have the first opportunity to continue a Suds-Scriptio before any other applicants are considered.

Should you desire to be on the leading edge of this unique experience, three samples should arrive at your home within a few days followed by an email with instructions on how to provide feedback. Should you fail to provide feedback, we will assume that you no longer wish to participate in our testing group and will politely go away. Ready to join? Please fill out the form & short survey below and email it to emu@kissingemu.com. We are an Anti-Spam company and respect your privacy and value your time. We will not send unsolicited emails and your information will not be shared. Period:
